

INDEX TO VOLUME XXVII

1945

SUBJECTS

- Academic freedom, 781
- Advances in techniques of measuring and estimating consumer expenditures, 315
- Agricultural credit policy in the United States, 1945, 591
- Agricultural economics program of Chica, 615
- Agricultural marketing programs after the war, 297
- Agricultural marketing, regional research in, 121
- Agricultural policies, world, and the expansion of trade, 67
- Agricultural production after the war, 261
- Agricultural settlement possibilities in Canada, postwar, 388
- Agriculture, major shifts in world, 245
- Analyzing labor requirements for California's major seasonal crop operations, 963
- Announcement of annual meeting, 1013
- Annual reports, 233
- Appraisal service, a public farm land—its desirability and practicability, 620
- California's major seasonal crop operations, analyzing labor requirements of, 963
- Canada, postwar agricultural settlement possibilities, 388
- China, the agricultural economics of, 615
- Citrus fruits, wartime price control of fresh, 553
- Consumer expenditures, advances in techniques of measuring and estimating, 315
- Cost accounting records, forty years of farm cost, 1
- Cost of pork and lard, the marginal feed, 375
- Cost of subsistence, 303
- Costs of federal agricultural activities: Their meaning and classification for purposes of economic analysis, 540
- Cotton harvest, mechanization of, 928
- Credit policy in the United States 1945, agricultural, 591
- Credit problems and suggested adjustments, postwar agricultural, 281
- Critical examination of marketing research, 947
- Economic analysis, costs of federal agricultural activities: Their meaning and classification for purposes of, 540
- Economics of public measures to subsidize food consumption, 38
- Economics of scale, research determination of, 526
- Farm cost accounting records, forty years of, 1
- Farm financial and production records in Illinois, thirty years of, 24
- Farm land appraisal service, public—its desirability and practicability, 620
- Farm management surveys, forty years of, 18
- Farm population, old-age security for American, 634
- Farm technological advance and total population growth, 509
- Federal agricultural activities, costs of: Their meaning and classification for purposes of economic analysis, 540
- Federal reclamation projects, repayment experience on, 153
- Federal sales tax affect farmers, how would a?, 649
- Food consumption, the economics of public measures to subsidize, 38
- Forty years of farm cost accounting records, 1
- Forty years of farm management surveys, 18
- Freight rate differences, interterritorial, in relation to the regionalization of industry, 433
- How would a federal sales tax affect farmers?, 649
- Index to volume XXVII, 1017
- International trade, a proposed world trade board for expanding, 571
- Interterritorial freight rate differences in relation to the regionalization of industry, 433
- Irrigation developments, postwar, and the national and regional agricultural economy, 138

- Labor productivity in agriculture in USSR and USA, 419
- Labor requirements for California's major seasonal crop operations, analyzing, 963
- Land-grant college postwar agricultural policy, 168
- Land settlement opportunities in the Northern Great Plains, postwar, 405
- Lending agencies (in agriculture), the relation of public to private and recent trends in their development, 88
- Major shifts in world agriculture, 245
- Marginal feed cost of pork and lard, 375
- Marketing programs after the war, agricultural, 297
- Marketing research, a critical examination of, 947
- Marketing, research in milk: A review, 453
- Mechanization of the cotton harvest, 928
- Milk marketing, research in: A review, 453
- News notes, 229, 506, 734, 1008
- Northern Great Plains, postwar land settlement opportunities in the, 405
- Notes on "poor land" and "submarginal land," 345
- Obituary, 232
- Old-age security for American farm population, 634
- "Poor land" and "submarginal land," notes on, 345
- Population growth, total, and farm technological advance, 509
- Pork and lard, the marginal feed cost of, 375
- Postwar agricultural credit problems and suggested adjustments, 281
- Postwar agricultural policy, land-grant college, 168
- Postwar agricultural settlement possibilities in Canada, 388
- Postwar irrigation developments and the national and regional agricultural economy, 138
- Postwar land settlement opportunities in the Northern Great Plains, 405
- Postwar planning and the rural-urban balance, 664
- Price control of fresh citrus fruits, wartime, 553
- Price policy for agriculture, consistent with economic progress, that will promote adequate and more stable income for farming.
- First award paper, 743
- Second award paper, 761
- Third award paper, 773
- Honorable mention papers, 785, 790, 798, 807, 813, 821, 829, 837, 844, 852, 861, 871, 878, 886, 895
- Price policy for agriculture contest, 737
- Production adjustment, research and future possibilities, wartime experience in, 903
- Production after the war, agricultural, 261
- Production records in Illinois, thirty years of farm financial and, 24
- Proposed world trade board for expanding international trade, 571
- Public farm land appraisal service—its desirability and practicability, 620
- Publications received, 214, 483, 710, 1007
- Reclamation projects, repayment experience on federal, 153
- Regional research in agricultural marketing, 121
- Relation of public to private lending agencies (in agriculture) and recent trends in their development, 88
- Repayment experience on federal reclamation projects, 153
- Research in agricultural marketing, regional, 121
- Research determination of economics of scale, 526
- Research in milk marketing: A review, 453
- Rural-urban balance, postwar planning and the, 664
- Sales tax affect farmers, how would a federal, 649
- Stabilization, wage, in agriculture, 104
- Statement by chairman of award judges, 741
- "Submarginal land" and "poor land," notes on, 345
- Subsidize food consumption, the economics of public measures to, 38
- Subsistence, the cost of, 303
- Techniques of measuring and estimating consumers' expenditures, advances in, 315
- Technological advance and total population growth, farm, 509
- Thirty years of farm financial and production records in Illinois, 24

USSR and USA, labor productivity in agriculture in, 419

Wage stabilization in agriculture, 104
